Student Health Services

Specialty Clinic

Mental Health Therapy

The Student Health Services works in conjunction with University Counseling for treatment of mental health issues such as: stress management, depression, drug & alcohol problems, eating disorders, sexual abuse issues, and relationship problems. For more information or to schedule an appointment, stop by the Bryant Student Health Center or call (620) 235-4452. Fee for service.

Nutritional Counseling

The Student Health Services offers patient consultation and counseling through a contract with a registered dietician. Patient education on such nutritional issues as weight management, eating disorders, and special dietary needs may be scheduled by calling (620)-235-4452. Fee for service.

Dermatology/ ENT/ Orthopedic Services /Cardiology/ Gynecology

The Student Health Center offers consultation and evaluation through contracted specialty physicians. Any student with a chronic or complicated medical condition related to dermatology/ears, nose or throat/orthopedic may be referred by the BSHC medical staff for an appointment to be evaluated by the specialist. There is a \$15.00 charge to be evaluated by the Dermatology/ENT/Orthopedic/Cardiology/Gynecology physician. For more information or to schedule an appointment, call (620) 235-4452.

Physical Therapy

The Student Health Services contracts with a local physical therapist to provide therapy to students. These services include consultation and rehabilitative treatment for disabling injuries or illnesses as prescribed by medical staff. Fee for service. For more information or to schedule an appointment, call (620) 235-4452.
